Section II: Select the category.

You can select only one category for an initiative. Application form with similar initiative applied for multiple categories will be disqualified.

Name	Definition	Tick  to apply for the category*
Agriculture	This category recognizes individuals who have made significant contributions to advancing sustainable agriculture practices, promoting food security, and empowering rural communities. Initiatives may demonstrate innovation in agricultural techniques, advocated for policies that support smallholder farmers, or enhancing agricultural productivity while preserving environmental sustainability thereby fostering long-term agricultural viability.	
Animal Welfare	This category recognizes initiatives aimed at promoting the well-being and humane treatment of animals. This includes advocacy, rescue, rehabilitation, and education initiatives that protect animals from cruelty, neglect, and exploitation, providing essential veterinary services, first aid and emergency veterinary care, food, and water for free-roaming animals, etc.	
Disability, Inclusion and Accessibility	The This category recognizes individuals who have actively advocated for or implemented solutions to improve access, opportunity, and dignity for persons with disabilities. Initiatives may involve enhancing physical infrastructure such as constructing ramps, accessible toilets, or Braille signage or integrating assistive technologies to facilitate communication

	and mobility. Impact must show how their work has removed barriers and enabled full participation in social, educational, and economic life of the beneficiaries.	
Education & Skill Development	This category recognizes individuals that have made significant contributions toward enhancing access to quality education and practical skill-building. The focus is on initiatives that not only promote academic education but also equip individuals with vocational, digital, entrepreneurial, or life skills necessary for personal growth and employability.	
Environment & Sustainability	This category recognizes individuals that have taken impactful initiatives to protect, preserve, and restore the environment while promoting sustainable practices. It focuses on efforts that address climate change, waste management, resource conservation, and ecological balance through innovation, advocacy, or community engagement	
Girl Child & Women's Rights Empowerment	The category recognizes individuals dedicated to advancing the rights, dignity, and empowerment of girls and women across all spheres of life. This includes those working to promote gender equality, safeguard the rights of girl child, and ensure access to education, quality healthcare, economic opportunities, uplift the social and legal standing of women and protect/promote birth of a girl child, and overall development, etc.	
Healthcare	This category recognizes individuals who has demonstrated exceptional dedication and commitment to improving community health and wellness. Those who have gone beyond their professional obligations to make a significant impact on public health through various initiatives, including community and clinical health programs, innovative use of technology, free distribution of medicines, and other health-related services.	
Human Rights and Legal Aid	This category recognizes individuals dedicated to ensuring justice and the protection of fundamental rights for vulnerable and marginalized communities. Initiatives can include providing free legal aid, supporting victims of abuse, defending the rights of minorities and oppressed groups demonstrating how their efforts have facilitated access to justice for those unable to afford legal representation, thereby upholding the principles of equality and fairness enshrined in the Indian Constitution.	
Rural and Slum Development	This category recognizes exceptional efforts and innovative initiatives aimed at improving living conditions and quality of life in rural areas and urban slum. Initiatives may focus on addressing the unique challenges faced by these communities, through comprehensive approaches that include infrastructure development, access to essential services, economic empowerment, providing education, sanitation, healthcare facilities, etc.	
Social Innovation using Technology	This award recognizes individuals who has demonstrated exceptional commitment and creativity in leveraging technology to drive positive social change. The recipient has gone beyond the call of duty to implement innovative solutions that address pressing community challenges, ensuring accessibility and inclusivity without any cost to the end user using technology who have made a significant impact through their dedication to enhancing the quality of life for others through technology.	
Water and Sanitation	This category recognizes individuals who have made significant contributions toward improving access to clean water and safe sanitation. The focus is on sustainable solutions that enhance public health, hygiene, water conservation, access safe clean drinking water, distribution systems, improve sanitation infrastructure and waste management facilities within communities especially in underserved or rural communities.
